

**SCP-FSS-002 SPECIFIC PROPOSAL SUBMISSION  
INSTRUCTIONS (MAR 2008)**

(a) Section I – *Administrative/Contract Data:*

(1) Offeror must submit a copy of the certificate signifying that one of its current employees, who is an authorized negotiator for this offer, has completed the “Pathway to Success” training within the past year. “Pathway to Success” training is available through the Vendor Support Center website at <http://vsc.gsa.gov>. Click on the tab “Vendor Training” to access this free, web-based training. The training session is less than two hours total and covers the major factors your organization should consider prior to submitting an offer to GSA.

(2) Your offer may be submitted either electronically by e-Offer (<http://eoffer.gsa.gov>) or paper proposal. The most recent refresh of this solicitation can be viewed on FedBizOpps. Submissions of previous versions received more than thirty (30) calendar days after the issuing date of this version will be rejected.

(i) If using the e-Offer system, submitting a signed hard copy of the SF1449 or any other place, a signature is required in the offer is NOT necessary due to the digital certificate required to submit an eOffer. Completing an e-Offer through the e-Offer system will constitute a signature wherever signature is required in this solicitation regardless of whether or not an electronic signature is present on the document requiring a signature. If submitting an e-Offer, the offer must include the SF-1449, the Vendor Response Document, GSA required attachments, and offeror’s “optional” attachments (defined as any other information submitted by the offeror, not already a part of the requirements and instructions defined by the Government).

(ii) If submitting a paper proposal, the offer must include an original and an electronic copy of the signed SF-1449, the Vendor Response Document, GSA required attachments, and offeror’s “optional” attachments (defined as any other information submitted by the offeror, not already a part of the requirements and instructions defined by the Government). By signing and submitting the SF-1449, the Offeror agrees to the contract terms and conditions presented in Part III – Contract Terms and Conditions of the solicitation, unless otherwise noted.

(3) If a consultant is being used during or after award, submit an agent authorization letter. See FedBizOpps Document 12 for sample letter.

(4) Offeror shall provide a complete copy of its current CCR and ORCA which includes applicable NAICS codes for services/products offered.

(5) Offeror shall provide a copy of any cancellation and/or rejection notice(s) your firm has received in the preceding three years from any previous GSA Schedule contracts or proposals.

(6) Offeror shall provide the contract number(s) and price lists of any other GSA Schedule contract(s).

(7) Offeror shall identify any pending offers under other GSA Schedules including the name and phone number of the contract specialist evaluating the offer.

(8) Offeror should not submit clauses Incorporated by Reference (IBR) document (FedBizOpps Document 5), which is the full text of all the clauses incorporated by reference.

(9) Unless otherwise requested, offerors should not submit brochures, newsletters, or other marketing materials.

(10) Elaborate artwork, expensive paper and bindings, and visual or other presentation aids are discouraged.

(11) Provide a copy of offeror’s most current, complete, audited (if available) two years of financial statements (at a minimum, balance sheets and income statements). GSA uses balance sheet and income statement information to determine financial responsibility. Note that providing

tax returns is not required. Provide an explanation for any negative financial information disclosed, including negative equity or income. You may be required to provide letters of credit or other documentation to demonstrate that adequate financial resources are available.

(12) Small Business Subcontracting Plan, if applicable – The offeror shall prepare and submit a Small Business Subcontracting Plan if, pursuant to the applicable NAICS codes and size standards, it is determined to be other than a small business concern for purposes of this solicitation. Failure to submit a Small Business Subcontracting Plan when required will result in the return of the proposal without further review. Large businesses, nonprofit organizations and educational institutions are advised of the requirement to submit a Small Business Subcontracting Plan (see Clause 552.219-72, incorporated by reference). The Government will review each plan to assure it is consistent with the provisions of this clause. Subcontracting plans are subject to negotiations along with the terms and conditions of any contract resulting from this solicitation. The offeror's subcontracting plan must be approved by the Contracting Officer prior to award. A sample outline that may be used in preparing a subcontracting plan is included as FedBizOps Document 7 (ref. FAR 19.702).

GSA's subcontracting goals for Fiscal Year 2008 are:

Category of Small Business Goal % of Total Subcontracting Dollars

Small Business (total of all types) 37%

HUBZone 3%

Small Disadvantaged 6%

Women-Owned 5%

Veteran-Owned 5%

Service-Disabled Veteran-Owned 3%

(b) Section II – *Technical Proposal*: The technical proposal is comprised of four factors — Factor One (Corporate Experience), Factor Two (Relevant Project Experience), Factor Three (Past Performance) and Factor Four (Quality Control). All offers shall address these factors as instructed below. If the Offeror is proposing multiple Special Item Numbers (SINs), they shall clearly identify each SIN with the corresponding technical information. Please provide a narrative for each of the following sections to demonstrate your company's capabilities in satisfying ALL underlying requirements listed below.

(1) Factor One – Corporate Experience: Submit a two-page (maximum) narrative describing the company's corporate experience in all services provided under this Schedule, regardless of the number of SINs being offered. Your company must have provided the type of professional services under this schedule to either a Government or Commercial entity for a minimum of two years. At a minimum, your narrative must include the following:

(i) Organization's number of years of corporate experience in the services described in Part I of this solicitation.

(ii) Organization's size, experience in the field, and resources available to enable the offeror to fulfill requirements.

(iii) Brief history of the organization's activities contributing to the development of expertise and capabilities related to this requirement.

(iv) Information that demonstrates the offeror's organizational and accounting controls and manpower presently in-house or the ability to acquire the type and kinds of personnel proposed.

(v) Describe/identify how you intend to market services to federal clients.

(vi) Discuss the use of subcontractors. If applicable, a letter of commitment is required to

cover the term of the contract.

(2) Factor Two – Relevant Project Experience:

(i) For each service SIN offered, the offeror must provide descriptions of two (2) projects. Each description must state the SIN to which it applies, and identify the specific services being proposed for that SIN.

(ii) The projects must either have been completed within the last two years or be on-going. For on-going contracts with a base year and option years, at a minimum, the base year must have been completed; for multi-year task orders, at a minimum, the first year must have been completed.

(iii) The offeror must demonstrate that the tasks performed are of a similar complexity to the work solicited under each SIN. The offeror may provide the same project for more than one SIN as long as the description identifies which specific work relates to each SIN. All examples of completed services must have been found to be acceptable by the client. Project descriptions shall not exceed four (4) pages per project.

(iv) Each project description shall include the following customer reference information:

- (A) Customer/Client Name
- (B) Project Name/Contract Number
- (C) Customer Point of Contact for Project
- (D) POC's phone number and e-mail
- (E) Project performance period (include months/years)
- (F) Dollar value of the entire project
- (G) Dollar value received for the work performed relevant to the SIN offered
- (H) Brief summary of the project as a whole (background, purpose, etc.)
- (I) A copy of the Statement of Work for the project; this does not count against the limitation of four pages per project.

(v) As applicable, each project description shall include a narrative account of the work performed that addresses the following elements:

- (A) Detailed description of SIN-relevant work performed and results achieved
- (B) Methodology, tools, and/or processes utilized in performing the work
- (C) Demonstration of compliance with any applicable laws, regulations, Executive Orders, OMB Circulars, professional standards, etc.
- (D) Project schedule (i.e., major milestones, tasks, deliverables), including an explanation of any delays
- (E) How the work performed is similar in scope and complexity to that described in the Statement of Work (Part I of this solicitation)
- (F) Demonstration of specific experience and/or special qualifications detailed in the Statement of Work (Part I of this solicitation)

(vi) Substitution For Relevant Project Experience – If project experience does not exist, the offeror may substitute relevant projects of predecessor companies or key personnel that will be performing major aspects of the work. If the offeror chooses to make such a substitution, the narratives must clearly identify the entity or personnel that performed the services. This paragraph applies only to the following schedules:

- (A) 520 – Financial and Business Services (FABS),
- (B) 738 II – Language Services,
- (C) 738 X – Human Resources and EEO Resources,
- (D) 69 – Training Aids & Devices, Instructor LED Training, Test Administration,

and

(E) 03FAC – Facilities Maintenance and Management.

(3) Factor Three – Past Performance: The offeror shall order and obtain a Past Performance Evaluation from Open Ratings, Inc. (ORI). See FedBizOpps Document 6. Offerors are responsible for payment to ORI for the Past Performance Evaluation.

(i) Past Performance Evaluations are valid for a period of one year from date of issuance by ORI. The submission of an evaluation issued more than one year prior to the date of proposal submission will result in rejection of the proposal.

(ii) The offeror shall submit one (1) copy of the completed Past Performance Evaluation and one (1) copy of the order form (including information on up to 20 customer references) with its proposal. Failure to submit the order form and the completed evaluation with the offer will result in rejection of the proposal. A “customer reference” is defined as a person or company that has purchased services from your firm.

(iii) Offeror is advised to use references from projects involving services related to this solicitation and/or those performed under the appropriate NAICS code(s) related to services offered. If these references were not provided to ORI, please explain why.

(iv) The offeror shall address any negative feedback contained in the ORI report. Explain what actions your firm has taken to minimize the problems that resulted in negative feedback.

(4) Factor Four – Quality Control: Submit one narrative regardless of the number of SINs offered, not to exceed two (2) pages, addressing each of the following items to demonstrate your firm’s capabilities in satisfying ALL underlying requirements listed below.

(i) Describe the internal review procedures which facilitate high quality standards in the organization.

(ii) Identify the individuals who will directly supervise or review projects specifically regarding quality control.

(iii) State whether or not subcontractors are used and, if subcontractors are used, describe the quality control measures the offeror uses to ensure acceptable subcontractor performance.

(iv) Describe how your firm handles potential problem areas and solutions.

(v) Describe the procedures for insuring quality performance while meeting urgent requirements.

(vi) Identify the strategies your firm will implement to manage and complete multiple projects for multiple agencies simultaneously.

(c) Section III – *Price Proposal*:

(1) GSA’s pricing goal: Obtain equal to or better than the Most Favored Customer (MFC) pricing with the same or similar terms and conditions. The U.S. Government Accountability Office has specifically recommended that “the price analysis GSA does to establish the Government’s MAS negotiation objective should start with the best discount given to any of the vendor’s customers.” GSA seeks to obtain the offeror’s best price based on its evaluation of discounts, terms, conditions, and concessions offered to commercial customers. If the MFC is a Federal agency, but sales exist to commercial clients, identify which, if any, of the commercial clients obtain the best price. This will allow the Government to establish a “basis for award” customer in accordance with the Price Reductions Clause 552.238-75, paragraph (a).

(2) The offeror shall propose a pricing structure consistent with its commercial practices and provide supporting documentation (See paragraph (12) below). Pricing shall be submitted and

clearly identified as being based either on a “Commercial Price List” or on “Commercial Market Price,” as defined in FAR 2.101 (“Catalog Price” and “Market Prices” under the definition of “Commercial Item”). Submit an electronic copy of the proposed pricing.

(i) As part of the Price Proposal: Offeror shall outline all services being proposed. At a minimum, the offeror should provide the following information:

- (A) SIN(s) proposed
- (B) Service/Product proposed
- (C) MFC/Best commercial customer
- (D) MFC/Best commercial customer price
- (E) Discount % offered to MFC/Best commercial customer
- (F) Discount % offered to GSA
- (G) Prices offered to GSA (excluding IFF)
- (H) Prices offered to GSA (including IFF)

(3) When training courses are offered, pricing will include the following information:

- (i) (A) Title and brief description of the course, including major course objectives
- (B) Length of course (number of hours/days)
- (C) Minimum/Maximum number of participants
- (D) Price for additional students above minimum (if applicable)
- (E) Support materials provided as part of the course (e.g., training manuals, CDs, DVDs)
- (F) Commercial price of course (“N/A” if offering market based prices)
- (G) Discount % offered to GSA (“N/A” if offering market based prices)
- (H) Price of course offered to GSA (excluding IFF)
- (I) Price of course offered to GSA (including IFF)

(ii) Note: These descriptions will become part of the GSA Authorized Price List if a contract is awarded, and must be posted on GSA *Advantage!*<sup>TM</sup>. Submit an electronic copy of the description of each course offered.

(4) The offeror may propose separate rates for “domestic” and “overseas” services based on the application of variations in their indirect costs, depending upon where the services are performed. Two sets of rates are not required. In the event two sets of rates are offered, the offeror must identify which are considered “domestic” rates and which are considered “overseas” rates.

(5) The offeror may propose separate rates for “customer facility” and “contractor facility” (also known as “off-site/on-site”), based on the application of variations in its indirect costs depending upon where the services are performed. Two sets of rates are not required. In the event two sets of rates are offered, the offeror must identify which is for work at the “customer facility” (i.e., the ordering activity/agency) and which is for work at the “contractor facility.”

(6) Offeror is required to include a 0.75% Industrial Funding Fee (IFF) in the prices submitted with their offer (See contract clause 552.238-74, Industrial Funding Fee and Sales Reporting). The fee will be included in the awarded prices and reflected in the total amount charged to ordering activities.

(7) (i) When pricing is based on a Commercial Price List (CPL), submit two copies of the company’s current dated CPL/Standard Rate Sheet (this is a stand-alone document that was not prepared for this solicitation). Submit proposals for the base year only. Pricing based on the CPL are subject to the Economic Price Adjustment Clause at 552.216-70.

OR

(ii) Pricing based on Commercial Market Prices are subject to the Economic Price Adjustment Clause, I-FSS-969. If offering market pricing in accordance with Clause I-FSS-969, the offeror must propose a fixed rate of escalation or identify an economic indicator such as the Bureau of Labor Statistics Employment Cost Index.

(8) For each proposed labor category, the offeror shall provide a detailed position description. Position descriptions must include functional responsibilities, minimum years of experience, minimum educational/degree requirements, and any applicable training or certification requirements. If it is the firm's standard commercial practice to substitute experience for education, explain the methodology in use (e.g., five years experience equates to a BA/BS degree). These descriptions will become part of the GSA Authorized Price List if a contract is awarded, and must be posted on GSA *Advantage!*<sup>TM</sup>. Submit an electronic copy of the labor category definitions and minimum education and minimum experience requirements for each labor category.

(9) Travel will be handled in accordance with clause C-FSS-370. Costs for transportation, lodging, meals and incidental expenses incurred by the contractor are allowable subject to the limitations contained in the Federal Travel Regulations and/or Joint Travel Regulations. They should not be included in the offered prices and will be considered at the task order level.

(10) The Commercial Sales Practices Format (CSP-1) must be completed in accordance with the Commercial Sales Practices Instructions, demonstrating comparative pricing with your best customer(s). A general explanation of the circumstances and frequency of deviations from your standard commercial practices is required [see Clause 552.212-70, Preparation of Offer (Multiple Awards Schedule)]. A separate CSP-1 must be completed for each pricing structure proposed. Provide a rationale for the estimated GSA contract annual sales (CSP-1, paragraph (2)).

(11) The offeror shall include a detailed narrative containing sufficient information for each of the services offered to enable the Contracting Officer to determine that offered prices are fair and reasonable. For example, if a price offered to GSA is not equal to or better than the price offered to the firm's designated Most Favored Customer, the narrative must fully explain the offeror's rationale for proposing such a rate as well as demonstrate why the GSA price is still fair and reasonable. Any deviation from an offeror's commercial sales practices must be explained, including the circumstances surrounding and frequency of the deviations.

(12) The offeror must provide supporting pricing documentation for EACH proposed service/product (e.g. each labor category, percentage based fee, etc.). Supporting pricing documentation may consist of copies of invoices, contracts, quote sheets, etc. and MUST be included in the Offer. There must be a clear and relevant relationship between the supporting document and the proposed price it is meant to substantiate. Each supporting document must be labeled with the name of the corresponding proposed labor category, service, etc.

(13) If offering professional services (as defined by 29 CFR 541), offeror MUST submit a Professional Compensation Plan setting forth salaries and fringe benefits proposed for the professional employees who will work under the contract in accordance with Clause 52.222-46 Evaluation of Compensation for Professional Employees. Individual compensation disclosure is not required. Submission of general compensation practices often printed in an employee handbook is sufficient.

(14) If offering professional or technical services, submit a copy of the offeror's policy that addresses uncompensated overtime in accordance with Clause 52.237-10 Identification of Uncompensated Overtime.

(15) Repair and Alterations (R&A): Applicable to the solicitation 6FEC-E6-030292-B, Refresh 9: Information for offering R&A is located in PART I. Clauses specific to R&A are located at the end of PART III.

(16) Service Contract Act: Applicable to the solicitation 6FEC-E6-030292-B, Refresh 9: (Service Contract Act – 52.222-41, and related clauses 52.222-42, 52.222-43, and 52.222-49)

(i) The Service Contract Act (SCA) applies to all ALL services to be provided under this schedule except for any pricing offered for service outside of the United States. The SINS

to which the SCA applies are identified elsewhere in the solicitation. The SCA index of applicable wage determinations for this solicitation and resultant contract are shown in FedBizOpps document 20. The full text version of each wage determination can be viewed at [www.wdol.gov](http://www.wdol.gov). Some of the proposed labor categories may be subject to the SCA (usually non-professional categories). As such, it is important that the offeror verifies that its proposed base rates and fringe benefit rates for these labor categories meet or exceed the SCA wage determination rates and fringe benefits for the areas where the offeror expects to perform the majority of work under the contract.

(ii) A contract must meet only the base rate and fringe benefit rate requirements in the SCA Wage Determination (WD) Revision Number currently incorporated into the GSA Contract. The WD Revision Number in the GSA contract takes precedence over any WD Revision Number an agency incorporates into an RFQ at the Task Order Level. Contractor cannot increase its GSA contract prices at the Task Order Level as a result of accepting a WD Revision Number at the Task Order Level that differs from the WD Revision Number currently incorporated to the Contractor's GSA contract.

(iii) Identify the SCA wage determination(s), including determination number, revision date, state and counties that were used to determine that the rates offered are in compliance. The revision numbers of the wage determinations listed in the solicitation index of wage determinations should be used in the comparisons.

See the sample below for how labor categories subject to the SCA are to be submitted as part of the GSA proposal. Labor category titles and rates are shown for example purposes only.

Labor categories Hourly Rate

Principal \$100.00

Engineer \$80.00

Secretary\*\* \$20.00

Scientist \$80.00

Driver\*\* \$25.00

Engineering Technician\*\* \$26.00

Administrative Assistant\*\* \$18.00

\*\*Indicates SCA eligible categories. See the SCA Matrix following the price list for additional information regarding these labor categories.

(iv) The following paragraph is meant to be instructive and NOT to be copied as part of the proposed GSA price list.

For all the identified SCA eligible labor categories, map the SCA equivalent labor category title (titles/descriptions available at <http://www.wdol.gov>. Click on the "library" link, then download the SCA Directory of Occupations, 5<sup>th</sup> Edition). Also identify the WD# that the labor categories in your offer are predicated on. Note that the applicable revision number for any Wage Determination number is the revision number identified in the solicitation index of wage determinations.

(v) Utilize the following spreadsheet format (labor categories shown are for example purposes):

SCA Matrix

SCA Eligible

Contract Labor Category SCA Equivalent Code - Title WD Number

Secretary 01115-General Clerk I 05-2059

Driver 31361 - Truck driver, Light Truck 05-2059

Engineering Technician 29081- Engineering Technician I 05-2059

Administrative Assistant 01011 - Accounting Clerk I 05-2059

(vi) Insert the following language below the above SCA matrix and insert both (matrix and language) at the end of the proposed GSA price list.

“The Service Contract Act (SCA) is applicable to this contract and it includes SCA applicable labor categories. The prices for the indicated (\*\*) SCA labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCA matrix. The prices offered are based on the preponderance of where work is performed and should the contractor perform in an area with lower SCA rates, resulting in lower wages being paid, the task order prices will be discounted accordingly.”

(vii) (A) There are three methods for determining price adjustments of Service Contract Act (SCA) eligible labor categories ONLY. The offeror will be required to select one method for the life of the contract.

(1) Method 1: Price Adjustment for the base contract period and all options exercised shall be in accordance with clause 52.222-43, Fair Labor Standards Act and Service Contract Act – Price Adjustment (Multiple Year and Option Contracts). When a modification is issued to all contract holders incorporating a revised index of wage determinations, contractors shall notify the Contracting Officer of any increase/decrease claimed under clause 52.222-43 within 30 calendar days after receipt of the modification.

(2) Method 2: An escalation method is negotiated prior to award in accordance with the clause I-FSS-969, Economic Price Adjustment – FSS Multiple Award Schedule, utilizing any of the methods available in the solicitation under that clause.

(3) Method 3: When the offered prices are based upon a commercial price list, then only revisions in the commercial price list will enable the contractor to revise prices. They will only be allowed increases in accordance with clause 552.216-70, Economic Price Adjustment – FSS Multiple Award Schedule Contracts.

(B) Regardless of the method used, the contractor must ensure that within 30 calendar days after the effective date of any modification to revise pricing based on changes in the applicable wage determination(s), the electronic catalog is updated on GSA *Advantage!*<sup>TM</sup>.

(viii) Note 1: The contractor will not automatically be allowed an increase in prices based solely on new wage determinations.

(ix) Note 2: Reference Code of Federal Regulations, Title 29, Labor, Subtitle A – Office of the Secretary of Labor, Part 4 Labor Standards for Federal Service Contracts, Subpart D – Compensation Standards, paragraph 4.161 – Minimum monetary wages under contracts exceeding \$2,500, which states: “No change in the obligation of the contractor or subcontractor with respect to minimum monetary wages will result from the mere fact that higher or lower wage rates may be determined to be prevailing for such employees in the locality after the award and before completion of the contract.”
